Thank you for purchasing a growler of your favorite fresh draught beer. Following the tips on the back will ensure highest quality.

For best flavor, follow these tips:

-  Use brown glass or other opaque material
-  Store in a cold, dark place
-  Open within 24-72 hours
-  Consume within hours of opening (always responsibly)
-  Clean, sanitize, rinse and air-dry growler and cap when empty
-  Store with the lid unsealed

WARNING: Some growlers are not pressure-rated and may burst if not properly handled. For safety, follow these tips:

-  Never expose to high temperatures or allow to freeze.
-  Always use plastic rather than metal caps
-  Always fill with approximately 5% headspace
-  Never fill engraved or damaged growlers.
